This horse is for "sponsorship only" and cannot leave the premises of Missouri Forget-Me-Not Horse Rescue and Sanctuary. It will, however, be available for you to visit, pet, groom, spend time with, etc., and just generally "spoil" as much as possible! Please be sure to call to make an appointment for visits so someone is available to show you around, etc. If you cannot visit your sponsored horse, we will keep you updated with information about the horse and send you photos periodically to keep you aware of his/her daily life.

Thank you for being willing to make a difference in the life of this horse and for your support of our efforts to continue to care for horses that have been abused, neglected or abandoned in our community.
